How to make salt dough

(you could halve the recipe if you want).

Prep 10 minutes. Cook 3 hours

Makes 1 ball

Ingredients: 250g plain flour. 125g table salt. 125ml water

Method: Preheat the oven to 50°C or its lowest setting and line a baking sheet with baking parchment. Mix the flour and salt in a large bowl. Add the water and stir until it comes together into a ball. You can finish bringing it together with your hands if needed. Transfer the dough to a floured work surface and shape into your chosen model. You can roll it out and cut out shapes, using biscuit cutters or by hand to make any kind of model – e.g. mouse / cat etc., Christmas tree decoration, circular pendant with a hole for a ribbon or beads with holes in to make a necklace. Put your finished items on the lined baking sheet and bake for 3 hrs or until solid. Leave to cool and then paint.
